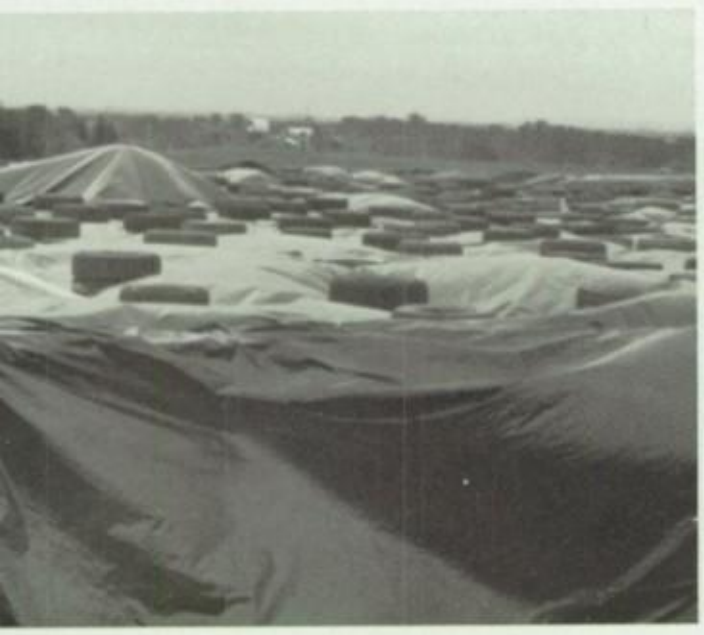
Gone With The Wind!

The 1987-88 school year brought something new and exciting to the town of Potosi, a "tornado." On Sunday, May 8, Mother's Day, the roof on the school was "Gone With the Wind." Townspeople gathered to help move everything out of the library, computer room and several classrooms and offices. Volunteers helped cover the roof of the flooded library. The library was relocated in the elementary gymnasium for the rest of the year.

The students had a day off school on Monday, while teachers helped get things back "in order." Students returned to find the classrooms had landed in new locations.

For the first time in our town's history, Potosi made the front page of the Telegraph Herald two days in a row.



HIRO

Hiroyuki (Hiro) Kenishi arrived in Potosi on Augusst 20 from Osaka Japan.

He began the year by going out for football. Hiro learned the techniques of the game, but as he told the Telegraph Herald, "I don't like, you get hurt." Basketball was a new concept too. It was better than football, but he anxiously awaited the baseball season. Hiro added a spark to our number one team, as his 12 hours of daily practice in Japan paid off.

When asked about school, Hiro says that math is easy, but English is bad. School in Japan is more challenging and the teachers rule with more of an iron fist.

Hiro spends his free time at the Weber home watching T.V. and listening to music.

We will all miss Hiro's smiling face. He says his friends in Osaka will probably get bored with his stories of the P.H.S. class of 1989. Thanks for a fun year Hiro.

***Jon Zlabek**-I'm scared of not succeeding and failing to receive a scholarship.

***Bart Leibfried**-If I do bad, who cares?

***Jay Weber**-There is nothing to fear, but fear itself.

***Russ Leeser**-If at first you don't succeed; try, try, again.

***Tricia Kruser**-It was gross!!!

***Danielle Leibfried**-It was vulgar, but it was a breeze!

***Kevin Kerkenbush**-This is a day of infamy.

What's in the lunchbox today?

The beginning of the school year brought the "Junior Lunch Revolt." After one day of hot lunch, it was decided by the males in the Junior class that this would be the year of the brown bag.

It was thought by the faculty that it would be a short-lived fad, but as the end of the year neared, our rebels held strong. Some of the favorite brown bags were:

Jay: Submarines (homemade)
Willie: Mt. Dew
Russ: Tuna Sandwich
Brad: Swiss Cake Roll
Duane: Little Debbies

Nutrition???? Thanks guys for adding a little spice to the lunchroom!

Quiz Bowl

The quiz bowl was held on February 16. Mr. Kading was "Quiz Master" with the assistance of Miss Thorncroft and Mr. Olson. The winning team consisted of Aimee Kruser, Jon Zlabek, Randy Gabel, Shelly Bierman and Amy Cardey. The second place team of Jeannie Schwab, Stacey Bierman, Kurt Timmerman, Steve Vogelsberg and Suzy Gabel made a great comeback in the second half! They really put the pressure on the winners.

Smile

This year's Student In-service was held on Wednesday, February 17. The Milwaukee Guardian Angels were the main speakers, along with students from other schools talking of their experiences with teenage alcoholism and teenage parenting. Other topics included runaways, sex and drugs, aids, date rape, looking great, family violence, and eating disorders.

Each student went to four sections besides breaks and lunch. All in all the day went well and the topics were much enjoyed.

In My Dreams

Homecoming was held on September 25. The week started with Nerd Day on Monday, Detassler's Day on Tuesday, 50's and 60's Day on Wednesday and Jersey Day on Thursday. The Spirit Key was found on Monday by Deena Williams when she bent down to get a drink at the water fountain.

"Blackhawk Conference Today" won the juniors first place at skit night as Willie Kelly portrayed "Peake the Greek." The juniors also took first place in the poster category while the sophomores placed first in window competition. Mr. Pettit blew away the competition as he sucked his bowl full of jello through a straw faster than the football players during a competition at the bon fire.

The 1987 Homecoming Court was announced and Tom Gotzinger was crowned King, while Nacky Nogami was crowned Queen.

It was a beautiful day for the parade and Homecoming Game. The seniors swept first place in the float category with "We'll Toast the Jays." The Chieftain Football Team defeated the Bloomington Bluejays by a score of 36 to 20. The dance immediately followed the game. The music was provided by Scorpio Productions with the theme being "In My Dreams" by REO Speedwagon. The kleenex decor added a nice touch to the evening!

Varsity Cheerleaders Terri Schramm and Aimee Kruser perform a dance routine on skit night.

Curtain Up

"My Fair Lady" was presented as the 1987 all school musical on November 6 and 7. Rochelle Leeser led the cast as Eliza Doolittle. Jon Zlabek starred as Professor Higgins, Ron Sedgwick portrayed his sidekick Colonel Pickering and Randy Gabel played Alfie Doolittle, Eliza's father. A 31 member chorus backed them with great vocals.

Mr. Pratt, Miss Gerth and Jenny Friederick were directors, Miss Kallevang handled the music and Pam Pier supervised stage construction.

The play about a speech-poor flower girl and persistent professor earned a standing ovation on both the opening and closing nights.

Varsity football cheerleaders homecoming dance routine

Taking a Break at Halftime

The cheerleaders started off the year with many new cheerleaders and cheers.

The Varsity performed a routine to Rock Steady at Skit Night during Homecoming week and to Control at the Bloomington-Potosi basketball game, which was also a Parents Recognition Night that the cheerleaders organized.

Traveling along with the guys to the Pointette Basketball Christmas Tournament was a highlight of the year. The cheerleaders cheered the players on to the 1st Place trophy they won.

The pep rallies this year were enthusiastic with the band keeping the crowd excited. For the final pep rally, students were able to vote for the teacher of their choice to receive a pie in the face. Doug Schramm and Mr. Konecke battled it out. A random pick of the cards chose Amy Morgan to throw the pie at Mr. Konecke, the winner.

The Chieftain Football team had another winning season with an overall record of 5-4. They won their first conference game against Shullsburg, who were the league favorites.

The guys suffered their first loss to Martin Luther Prep who advanced as state champs, and they defeated Bloomington for a Homecoming victory. The Chieftains easily dominated the field at Highland, but had a tough victory over Belmont. Cassville managed to deliver another loss to Potosi and moved on to state playoffs. The season ended with a loss to Benton.

Tom Gotzinger, Kevin Kerkenbush, and Doug Pluemer received 1st team all conference, Brad Bierman and Tim Pennekamp 2nd team, and Jay Weber and Paul Schultz earned honorable mention.

Fischers "Peanut" Power!!

Varsity: 1st row: Jeannie Schwab, Mary Beth Fischer, Rochelle Leeser. 2nd row: Jennifer Friederick, Kathy Koeller, Geri Morgan, Nakoi Nogami. 3rd row: Amy Morgan, Karen Koeller, Theresa Bennett, Tammy Wikinson, Lisa Emler, Michelle Burkholder, Yvonne Zenz.

Once again this year, the Potosi Spiking Chieftains proved to be a large and spirited team. The team was led by ten seniors: Jeannie Schwab, Jennifer Friederick, Rochelle Leeser (Roxie), Karen Koeller (Stud), Nacky Nogami (Snack), Kathy Koeller, Theresa Bennett, Yvonne Zenz, Michelle Burkholder (Monkey), and Geri Morgan. The Chieftains were coached by Ms. Fischer and the J. V. were coached by Jenell Richers.

Although the record was 8-6 it did not show what a great seasons it was. The team lost several hard fought, close games. Determination, more than talent, won many of the games.

Selected for all conference were Jeannie Schwab and Kathy Koeller. MVP was Jeannie Schwab, Hustler- Kathy Koeller and Tammy Wilkinson was high scorer.

The team came to be known as Fisher's Peanuts as each one of them wore the insignia across their headbands. Using the theme from Vision Quest, they did another of their infamous pregame warm-ups, which included the ever popular sprawl.

On a whole, the season went well. The team had lots of fun and barrels of laughs both on and off the court. Senior, Jenny Friederick summed up the season by saying, "We'll never forget our Chinese fire drill at the railroad crossing after our volleyball supper and stopping in to sing Happy Birthday to Mr. Briehl. It was a memorable, fun season."

Whoa Karen, watch out, Tammy's got it.

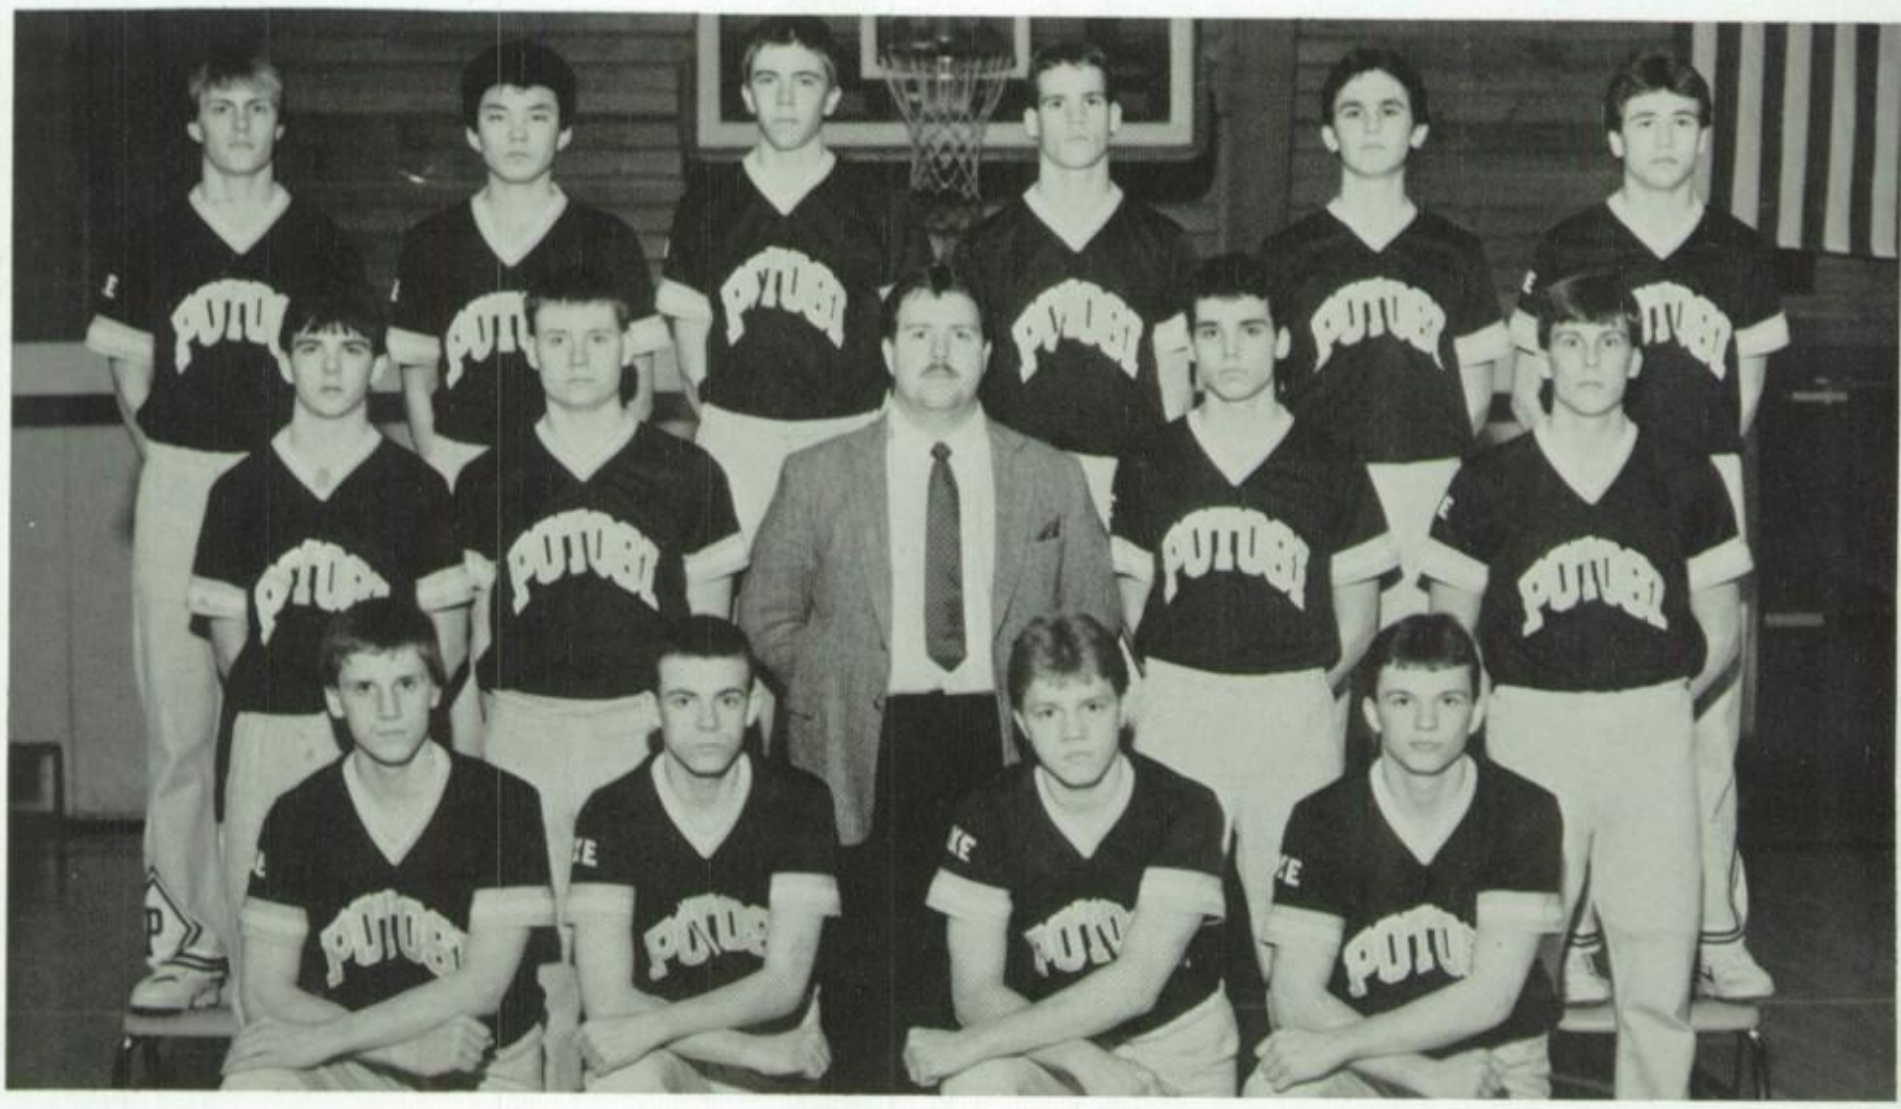
THE FUTURE OF THE NBA

Boys Basketball



Watch out Globetrotters, the Potosi Boys Basketball Team is here to make it's mark. This was the first year under the rule of new head coach Brad Pettit. The boys had an excellent season, ending in a three way tie between Cassville, Benton, and Potosi. Kurt Timmerman was appointed to the All Conference Team, while Brad Bierman and Bart Leibfried received honorable mention. The young team has yet another year to dominate the top spot.

YEARBOOK

Time flies, oh how true! From the second you enter high school as a freshmen until you graduate as a senior, special moments are captured in the yearbook. It serves as a reference tool for information, laughter, and the rekindling of old memories. One of the best times of the year is the long awaited delivery date. Freshmen laugh at seeing their pictures for the first time, and seniors may even shed a tear as they realize their high school days are over. So, thank your yearbook staff for capturing these special times and enjoy your new book!
